International Maternal Pediatric Adolescent
AIDS Clinical Trials Network

ANNUAL MEETING 2023

AGENDA BOOK

Washington Hilton Hotel,
Washington, D.C.
22 – 27 October

Welcome to the 2023 IMPAACT Annual Meeting in Washington, D.C.

Dear Meeting Participant:

Greetings and welcome to the 2023 Annual Meeting of the International Maternal Pediatric Adolescent AIDS Clinical Trials (IMPAACT) Network! We are delighted that you have chosen to be a part of this event, whether in person or through virtual participation. This is an exciting moment as we continue to study innovative strategies aimed at enhancing the well-being of children and pregnant/postpartum individuals who are affected by HIV. Since our previous annual meeting, we have embarked on the development of new protocols and are gearing up for the commencement of research studies covering a wide range of areas, including HIV treatment, HIV cure, tuberculosis, mental health, hepatitis C, and more!

This week, you are invited to attend the plenary sessions and Scientific Committee meetings to learn more about the Network's current research portfolio and future scientific priorities. We will have engaging presentations on current and future pediatric prevention and treatment efforts, mental health of researchers and clinicians, as well as statistical and laboratory updates. We are also excited to have Dr. Carl Dieffenbach, Director of the Division of AIDS, return for a fireside chat at the plenary session on Tuesday. In addition, the IMPAACT Community Advisory Board will participate in capacity building sessions to learn about best practices for community engagement and scientific advancements in HIV treatment from scientific and community experts.

Below you will find important information and resources to support you during the meeting.

Poster session & welcome gathering: On Tuesday, from 6:00 p.m. - 8:00 p.m., we invite you to attend the outdoor evening poster session and welcome gathering on the patio of the Washington Hilton Hotel. In the event of inclement weather, the gathering will be held in the Columbia Ballroom.

Internet access: Complimentary Wi-Fi will be provided in meeting rooms and the hotel each day. Please see the next page for further details on connecting to Wi-Fi.

Meeting materials and agendas: To receive up-to-date information during the meeting, we encourage you to download the free IMPAACT Network mobile app available in the iOS App Store or Google Play store. Within the app, you can create your own schedule, receive alerts of any room changes, access maps to quickly find your way around the hotel, and review speakers, agendas, and event details.

Mobile app: Additional information on the mobile app can be found on the next page and at the registration desk.

Questions: For questions, please visit the registration desk, where IMPAACT staff are available to assist you. The registration desk is located on the Terrace Level. Hours are listed on the next page.

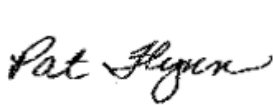

We hope that the 2023 IMPAACT Annual Meeting is a rewarding and memorable experience for you.

Welcome to Washington, D.C.!

Sincerely,

Sharon Nachman, MD
IMPAACT Network Chair

Patricia Flynn, MD

Laboratory Highlights

Don't miss these engaging laboratory-focused sessions – presentations, interactives, and drop-in/stop-by events!

Monday, 23 October

Laboratory Technologists Committee – Open Lab Session | 10:30 a.m. – 11:30 a.m. | Gunston

Laboratory Staff are invited to provide input on a new version of the Clinical Pharmacology Study Conduct Tutorial in this interactive session. We will also discuss the challenges unique to clinical trials with a pediatric focus and how to stretch limited blood volumes to maximize PBMCs.

IMPAACT Specialty Laboratory Directors' Meeting | 1:00 p.m. – 2:00 p.m. | Gunston

Laboratory directors are invited to learn and share updates and innovation.

Tuesday, 24 October

pSMILE, IQA, and VQA, Drop-In Room | 1:00 p.m. – 5:00 p.m. | Fairchild

Meet one-on-one with pSMILE, IQA, and VQA staff to get your questions answered and review your recent Audit Action Plan, EQA orders, new platforms for flow cytometry, HIV RNA PCR, etc.

Laboratory Center (LC) Drop-In Room and LDMS Q&A Table | 1:00 p.m. – 5:00 p.m. | Gunston

LC staff are ready to assist you with the following:

- Review the various electronic submission processes – MiPALs, Supporting Docs, MiMTAs, and Validations.
- Work through challenges and learn how to become more familiar with the laboratory activation process.
- Learn how to navigate the new LC website.

Need help with your LDMS inventory? Frontier Science staff will be available to answer questions.

Clinical Pharmacology Research Education Utilities for IMPAACT | 1:30 p.m. – 2:30 p.m. | Cardozo

Investigators, site, and laboratory personnel conducting pharmacology research trials – the CPQA is looking for your feedback to improve the Clinical Pharmacology Research Tutorial learning tool and the use of the latest version of the Precautionary and Prohibited Medications Database (PPMD). Don't miss this opportunity to provide input.

Wednesday, 25 October

LDMS Stop-By Table | 1:00 p.m. – 5:00 p.m. | Columbia Foyer

Frontier Science representatives will be available to address your questions if you missed them on Tuesday.
