International Maternal Pediatric Adolescent
AIDS Clinical Trials Network

ANNUAL MEETING

2024

AGENDA BOOK

Crystal Gateway Marriott,
Arlington, VA
22 – 27 September

Welcome to the 2024 IMPAACT Annual Meeting in Arlington, VA

Dear Meeting Participants:

We are delighted to welcome you to this year's International Maternal Pediatric Adolescent AIDS Clinical Trials Network (IMPAACT) Annual Meeting! Your presence and participation, whether in person or virtually, are what make this gathering an invaluable opportunity for collaboration, learning, and advancing our shared mission to improve global health.

This year's meeting is filled with sessions that cover some of the most critical areas in pediatric and pregnancy research, in individuals and communities affected by HIV. We invite you to attend our plenary sessions and Scientific Committee meetings to learn more about the Network's current research portfolio and future scientific priorities. We will have presentations on key topics, including pediatric syphilis, tuberculosis vaccines, lenacapavir in pregnancy, and highlights from the antiretrovirals in pregnancy WHO toolkit. We are excited to hear from the director of NIH's National Institute of Allergy and Infectious Diseases, Dr. Jeanne Marrazzo, and to have updates on the research priorities and the network re-competition process from the Division of AIDS.

On Wednesday, we will showcase presentations from three of our early career investigators. These talented researchers represent the future of our field, and their work highlights the innovative approaches and fresh perspectives that are driving our collective efforts forward. Other meetings throughout the week include protocol team meetings, IMPAACT Community Advisory Board meetings, and much more.

On Tuesday, from 6:00 p.m. - 9:30 p.m., do not miss our evening poster session and welcome gathering in the Grand Ballroom of the Crystal Gateway Marriott Hotel.

Below, you will find important information and resources to support you during the meeting.

Internet access: Complimentary Wi-Fi is provided in meeting rooms and the hotel each day. Please see Page 3 for further details on connecting to Wi-Fi.

Meeting materials and agendas: To receive up-to-date information during the meeting, download the free IMPAACT Network mobile app available in the iOS App Store or Google Play store. Within the app, you can create your own schedule, receive alerts of any room changes, access maps to quickly find your way around the hotel, and review speakers, agendas, and event details. Additional information on the mobile app can be found on Page 3 and at the registration desk.

Questions: For questions, visit the registration desk where IMPAACT Operations Center team members are available to assist you. Locations and hours are listed on Page 3.

We look forward to a productive and inspiring 2024 IMPAACT Annual Meeting.

Sincerely,

Sharon Nachman, MD
